

Manager Sales Controlling & Projects (f/m/d)

for our headquarters in Starnberg, Germany

The Aenova Group is one of the leading companies in the pharmaceutical and healthcare industry. With high quality standards, innovative technologies and a clear future orientation, Aenova has become Europe's market leader for the development and production of all common dosage forms and product groups in the business-to-business sector. The company which has its headquarters near Munich (Germany), operates 15 production sites and several sales offices in ten countries throughout the world. More than 4.300 employees contribute to the group's success.

What can you expect?

An exciting opportunity to make positive and structured changes to improve both processes and performance at Aenova Group.

- Act as a sparring partner for the sales leadership team
- Lead the commercial reporting (financials & KPIs), provide effective control and be the counterpart for Sales in the planning/forecasting process and the design of business cases
- Identification of improvement potentials and through in-depth analysis & tracking active implementation support
- Further development and harmonization of existing processes and systems in coordination with Corporate Controlling
- Lead multiple projects and overseeing work streams during design and implementation phase across geographies

What should you bring?

- Successfully completed business administration or engineering degree
- 5-8 years of professional experience in international sales controlling in comparably complex corporate structures or consulting, experience in communication and presentation to senior management, track record in the implementation of best-in-class controlling tools
- Very good knowledge of MS Office, ERP systems, preferably SAP
- Knowledge of Power BI
- Very good written and spoken German and English skills, any other European languages a plus
- Strong analytical skills
- Assertiveness paired with diplomatic skills
- Strong team spirit, excellent communication, and organizational skills

We offer a growth-oriented, dynamic and international environment, which offers challenging tasks across the sites as well as active participation opportunities.

If these tasks in a future-proof corporate group attract you, then we would like to get in touch with you.

Have we inspired your curiosity?
