

Business Unit Controller Semi-Solids (f/m/d)

for our headquarters in Starnberg, Germany

The Aenova Group is one of the leading companies in the pharmaceutical and healthcare industry. With high quality standards, innovative technologies and a clear future orientation, Aenova has become Europe's market leader for the development and production of all common dosage forms and product groups in the business-to-business sector. The company which has its headquarters near Munich (Germany), operates 15 production sites and several sales offices in ten countries throughout the world. More than 4.300 employees contribute to the group's success.

What can you expect?

An exciting opportunity to drive process and performance improvements across your assigned Business Unit.

- Further enhancement and harmonization of processes and systems as a member of the Corporate Controlling team
- Comprehensive FP&A responsibility for the BU
- Act as a sparring partner for the BU manager and his/her team and take responsibility for the development of the respective business unit.
- Benchmarking and identification of potential synergies along the full value chain within the BU and beyond
- Technical coordination of the controlling activities of the BU with the other divisions as well as the management of projects in the BU
- Implementation and tracking of improvement project, coaching of the respective counterparts in the BU

What should you bring?

- Successfully completed business administration or engineering degree
- 5-8 years of professional experience in operational controlling in comparably complex corporate structures
- Experience in international business unit management (operational & strategic/conceptual), experience in communication and presentation to senior management
- Sound accounting (process) knowledge and track record in the implementation of best-in-class controlling tools
- Very good knowledge of MS Office and ERP systems, preferably SAP
- Knowledge of Power BI
- Very good written and spoken German and English skills, other European languages are a plus
- Strong analytical skills
- Assertiveness paired with diplomatic skills
- Strong team spirit, communication, and organizational skills

We offer a growth-oriented, dynamic and international environment, which offers challenging tasks across the sites as well as active participation opportunities.
